

Lemony Salad

Source: Idea from Barb and Joe

Ingredients

- Lettuce
- Fennel, thinly sliced
- Avocado
- 2 medium garlic cloves, smashed
- ½ teaspoon salt
- 2 tablespoons fresh lemon juice
- ¼ cup plus 2 tablespoons olive oil

Method

Dressing from “Garlicky Palestinian Salad.”

1. In a mortar, pound the garlic with the salt to a smooth paste. Stir in the lemon juice, then gradually whisk in the olive oil.
2. Put some dressing in the bottom of a bowl and put the greens on top. Can stay in the fridge until needed — mix just before serving.
